

## Physician Certification

---

**To add your physician certification to your application please follow the steps below:**

- Select your Physician Certification from the "Physician Certification Number" drop down
- Click "Save" to save the certification to your application.

**IMPORTANT:**

- Only Physician Certifications created by your physician within the last six months will be available.
- If you have seen your physician within the last six months and are not able to select a new physician certification from the drop down next to "Physician Certification Number," please click on the "Patient Registration" tab and check that your date of birth and social security number are correct on your application. If both of these are correct on your application, please contact your doctor's office and verify the date of birth and social security number they have on file for you is correct.
